09:15 - 10:15	Keynote + panel: Own the unexpected If there's one thing we've all come to expect over the past two years, it's the unexpected. Faced with constant unknowns, how can you respond quickly and act confidently? In this session, we'll look at some of today's most significant challenges - and we'll talk to leaders who have faced them down to drive game-changing outcomes for their organisations. We'll dive into the new capabilities and innovations from Anaplan that are helping our customers build the innovative and adaptable organisations of the future. Join us for tangible takeaways on how to plan, analyse, and act with confidence to drive your organisation forward.
